Abstracts & Short Entries

- Kang, Y.S., Moorhouse, K., Stammen, J., Bolte IV, J.H. "An Experimental Seat for Measuring External Biofidelity in Rear Impacts and a New Instrumentation Technique for the Cervical Spine of PMHS."

Books & Monographs

- Bolte, J.H. *Shoulder Trauma and Response Characteristics Due to Lateral Impacts at the Level of the Glenohumeral Joint*. Columbus: The Ohio State University, 2000. (Published).

Bulletins/Tech Reports/Fact Sheets

Chapters in Edited Books

Conference Papers & Proceedings

- Sparks, J., Stammen, J., Herriott, R., Jones, K., Bolte IV, J.H. "Intravascular Pressure as a Predictor of Injury Severity in Blunt Hepatic Trauma." Vol. 2nd. Columbus: Ohio State Injury Biomechanics Research Laboratory. (Published).

Journal Articles

**Scholarly Presentations**

• Dr. John Bolte IV, Lecturer. "Injury Biomechanics Research at Ohio State." Presented at Virginia Tech University Virginia Tech, Blacksburg, Virginia Islands (Mar 2011)

• Dr John Bolte IV, Seminar Presenter. "Injury Biomechanics Research Laboratory." Presented at Biomedical Engineering Seminar, Columbus, Ohio (Jan 2011)

• Dr John Bolte IV, Presenter. "Injury Biomechanics Research Laboratory., Columbus, Ohio (Sep 2010)

• Dr. John Bolte IV, Presenter. "Characterization of the Pediatric Shoulder’s Resistance to Various Loading Conditions." Presented at CChIPS Fall IAB Meeting, Philadelphia, Pennsylvania (Sep 2010)

• Dr. John Bolte IV, Presenter. "Injury Biomechanics Research Laboratory." Seoul (Aug 2010)

• Dr John Bolte IV, Presenter. "Injury Biomechanics Research Laboratory at The Ohio State University." Presented at NASA Injury Conference, Houston, TX (Jun 2010)

• Dr. John Bolte IV, Presenter. "Injury Biomechanics Research at OSU." Presented at Modeling Injury Protection Team Meeting, Houston, Texas (Dec 2008)

• Dr. John Bolte IV, Presenter. "Injury Biomechanics Research at OSU Institute." Presented at TASI (Transportation Active Safety Institute) CAR, Columbus, Ohio (Aug 2008)

• Dr. John Bolte IV, Presenter. "Injury Biomechanics Research Laboratory Update." Presented at Center for Automotive Research- Annual Meeting Center for Automotive Research, Columbus, Ohio (Oct 2007)

• Dr. John Bolte IV, Presenter. "Konigsberg 9 All." Presented at Scientific Symposium on Injury Biomechanics Research, Birmingham, Alabama (Dec 2006)
• Dr. John Bolte IV, Presenter. "Anthropomorphic Test Devices." Presented at Kiwanis Club of Fremont, Fremont, Ohio (Aug 2001)

• Dr. John Bolte IV, Presenter. "Shoulder Response Characteristics and Injury Due to Lateral Glenohumeral Joint Impacts." Presented at 44th Stapp Car Crash Conference, Atlanta, Georgia (Nov 2000)

• Dr. John Bolte IV, Presenter. "Shoulder Trauma and Response Characteristics Due to Lateral Impacts at the Level of the Glenohumeral Joint." Presented at Biomedical Engineering Seminar, Columbus, OH. (Aug 2000)

• Dr. John Bolte IV, Presenter. "Thesis Defense: Shoulder Trauma and Response Characteristics Due to Lateral Impacts at the Level of the Glenohumeral Joint.", Columbus, Ohio (Aug 2000)

• Dr. John Bolte IV, Presenter. "A Pilot Study of Shoulder Trauma Produced by Lateral Impacts." Presented at 27th International Workshop of Injury Biomechanics Workshop, San Diego, California (Oct 1999)
